Dear Parent/Guardian:

Your participation in your child's education is important to us. Because of this, we have developed a parent involvement policy. This policy explains how we plan to work with parents to review and improve parent programs. We value your involvement and urge you to take the time to read this policy.

Federal law requires us to distribute our parent involvement policy to parents. Please sign the form below and return it to your child's classroom teacher so that we can be sure you received this important information.

Sincerely,
Jane McNeely-Sowell
Director of Federal Programs

I have received the parent involvement policy described in this letter.
