### **Gorden's Tutoring Center**

As a classroom teacher for eight years, I have become increasingly aware of the need for students to receive individual or small group instruction. The programs I've developed practice current methods in teaching, including hands-on activities and interesting materials. Parents are updated regularly regarding their child's progress and academic needs. I also encourage parents to take part in their child's tutoring program and welcome their input regarding modifications to their child's individual program. Lesson plans are based on assessment results as well as the North Carolina Standard Course of Study.
