

The PTO at Sardis needs YOU!

We have many fun and exciting committees to involve parents in making a difference at Sardis. Some of our committees are even just a one time commitment. Help as little or as much as you want! It's up to you. If you are interested (even just a little), please print this page and put a check beside the committee(s), complete the bottom, and send it back to your child's teacher.

The faculty and staff at Sardis give so much to our kids. This is a wonderful way we, as parents, can give back! Thank you for your time and consideration!
