JOIN PTO!

Perhaps you've heard about our group through various fundraising activities or the supplies and programs we financially support at school. Providing these extras is important to us, but our work goes beyond raising money. Our key mission is to promote an environment at school where teachers and administrators can do their best work and our students can do their best learning. We're always eager to find more great people, like you, to help us meet this goal. We don't expect a huge time commitment from volunteers. An hour can be a big help to our group and the school, and we have positions and tasks to fit all schedules and interests. All we need is your email and telephone number. We use sign up genius to let you know what is going on and you can also check out our new Facebook page.

Please consider joining the PRMS PTO. Membership is **only \$5 per family.** Joining does not mean that you have to come to meetings. This is a way to raise money to help with all the activities that we do throughout the year. Imagine if every family joined, that is one less fundraiser that we will have to do.
