Students enrolling in the Evening Program at Union County Public Schools (UCPS) are expected to maintain a high quality of social, emotional and academic performance. The purpose for enrollment is to successfully complete high school by earning a high school diploma. The Evening Program is a highly structured program and a limited opportunity offered to a select number of students who are willing to demonstrate a commitment to their education, future and community.

In order to successfully complete the Evening Program, students will abide by the UCPS Student Code of Conduct and the rules and procedures specific to the school campus on which they attend.

As a student, I agree to:

- Abide by all rules, regulations and procedures assigned by the UCPS Board of Education and Central Academy of Technology and Arts. Disciplinary infractions will cause me to be removed from the program.
- Honor the privilege of this opportunity by making a personal commitment to become invested in my education as evidenced by my regular attendance, work ethic, respect for others and pride in myself.
- Understand that failure to abide by the policies above will result in a removal from the program and return to your home school, _____.

I understand the following applies to disciplinary infractions while enrolled in Evening Program at CATA:

I, _____, understand my responsibilities as a student of the Evening Program at CATA and I commit to fulfill them.
