

Union County Public Schools Licensure Section Assignments

David C. Clarke, Ed.D.
Deputy Superintendent of Human Resources

Lillian G. Rorie, Ed.D.
Director of Human Resources Support Services

North Carolina General Statutes specify that all professional employees of public schools must hold the appropriate license for the subject/grade level taught and for the professional assignment held. Each employee should take appropriate steps to assure that his or her North Carolina professional license is issued in a timely manner. Failure to submit requested information may result in a salary adjustment to substitute pay or interruption of employment.
