

EARLY DISMISSAL PROCEDURE

In the event of early dismissal due to bad weather/emergency, it is imperative that we know how your child is to leave school. Because of the number of students at Sardis, we are unable to call an emergency contact person for each child. The Afterschool Care program will not operate on days that school is closed due to ice, snow, or flooding. Plan in advance on how your child will go home in the event of early dismissal.
